

Why Choose Soleo Health?

Soleo Health is more than just a pharmacy. We specialize in custom care for patients. Our therapies include specialty medications and infusion therapies. Patients can receive treatment at our centers or in their homes.

THE SOLEO HEALTH DIFFERENCE

- Local teams for top-notch patient care
- Specialty pharmacists and nurses available after-hours
- Flexible scheduling
- In-depth education and support for patients and caregivers
- Help with insurance from our experienced specialists
- Education about copay assistance
- Local infusion centers
- Support services while you travel

ADVANTAGES OF USING SOLEO HEALTH

Simplified Patient Journey

- Our Patient Access team provides a seamless journey from prompt insurance verifications and detailed pre-authorization reviews to a timely start of care
- Our Patient Assistance team researches copay support programs and charitable foundations that may reduce out-of-pocket treatment costs
- Clinical Review nurses provide in-depth support for coverage denials, including preparation of appeals and letters of medical necessity when appropriate

Consultative Approach

- Therapy care management teams, including specially trained pharmacists and registered nurses, focused on providing personalized specialty care
- Treating patients with the most complex disease states, including rare and ultra-rare conditions

National Scope, Local Touch

- National nursing coverage and pharmacy licensure in all 50 states to accommodate patients throughout the U.S.
- Local teams provide hands-on patient care and services
