

Your Provider Prescribed a Specialty Medication with Soleo Health

WHAT'S NEXT?

- Soleo Health will contact you for an introduction
- We'll clarify what your insurance will cover and what costs you may need to pay out of pocket
- You will learn how the medicine is given and what to expect
- We will schedule a treatment time and day that works best for you, including evenings or weekends, if necessary

You can receive treatment at one of our infusion suites or in the comfort of your own home.
